

Technical Notes

WATER BASED PEELABLE COATING - 8006

Date - 18/07/2024-001

Category - Peelable

Description

Single pack water based coating that can be peeled whenever required. It protects the coating on which it is applied from dirt.

Recommended Use

It is recommended to apply on expensive coating to protect from dust and dirt for certain period.

Technical Data

Color	Milk Clear
Finish	Smooth and glossy
Volume Solid	Approx 10%
Theoretical Coverage	NA
Recommended DFT	NA
Flash Point	NA
Drying Time	NA
Over Coatability	NA

Surface Preparation

The surface should be cleaned, dry, moisture and oil free before painting.

Application Details

THINNER	Water
VOLUME OF THINNER	As required

Application Method

By Brush

Additional Information

For further information, please go through MSDS of the product.

Notes
